

Hello,

I am writing you this message to tell you about your choice to publish falsehoods against me. If I do a search on the web with my name, unfortunately I can read: Francine Boissel, Choosing death over life, by your words you slander me with this statement. I repeat that slander is a false accusation that hurts the reputation and honor or a systematic use of false allegations in order to discredit someone.

First of all, I must explain to you what the Holy Spirit has revealed to me, because you don't seem to have the right understanding. I cannot choose death if I go on my way refusing to live in sin. Spiritual death is the separation of the soul from God because of sin. Death is the consequence of sin. Yes, I was dead because of my offenses and sins, in which I once walked. But God, who is rich in mercy, because of the great love with which he loved me, who was dead in my trespasses, has restored me to life with Christ, by grace I am saved. But now, having been set free from sin and having become a slave to the righteousness of God, I have for my fruit holiness and for my end eternal life. For the wages of sin is death, but the free gift of God is eternal life through Jesus Christ my Lord.

Can you explain to me what is in my life, tell me what sin or evil, according to you, I have committed now to choose death if the Lord tells me that I have eternal life because I believe in him, I have confessed my sins and I walk according to his Word?

It is written: He who believes in the Son has eternal life.

It is written: If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.

So, it is totally absurd and false to say that I did not choose life by refusing to associate myself with you through your site The path of truth, That prophet and The Victor Hafichuk music, etc. According to you, if I understand your way of thinking and your point of view correctly, I have chosen death, because I do not put my trust in man, that is to say in Mr. Victor Hafichuk and his team, because I refuse to believe you, to follow you, I do not want to read your texts, nor listen to your videos filled with lies.

Is it really this choice that leads me to death?

Look carefully at what the Word of God says, it is written: So righteousness leads to life, but he who pursues evil finds death. It is written: "He who follows my laws and keeps my ordinances, acting faithfully, he is righteous and will live," says the Lord GOD...

You are completely mistaken, for I have chosen the life that is in Christ Jesus and I listen to the voice of the Lord. And he asks me to abstain from evil and to stay away from the wicked and the scoffers, so I obey him by putting the Word into practice. Did you read correctly, it is those who pursue evil and are unfaithful who find death. Read these verses again in Proverbs 11:19 and in Ezekiel 18:9,20-32.

You must be converted to live! Ezekiel 18:32

We must change our ways to live! We must turn from our evil ways to live! Ezekiel 33:11

As for me, I put into practice the Word: It is written, I hate the assembly of evil doers, I do not sit with the wicked.

I listen to what the Lord asks of me: It is written, 'Blessed is the man who does not walk in the counsel of the wicked, who does not stand in the way of sinners, who does not sit with scoffers.

You are totally wrong. You have so much hatred in your heart towards me that you cannot have a good understanding of the Word. And to make me a bad name, you had to invent lies to have a strong title to attract the most readers to your publication. Unfortunately, you are dead and you don't even realize it. It is obedience to sin that leads to spiritual death, because by living in sin, you are disobeying God's will and commandments. Your works prove that you do not believe in the Son of God, because you refuse to admit that you do evil, you say that you have not sinned, therefore you do not live according to God's will by keeping his commandments for love of him.

It is written: Then lust, when it hath conceived, bringeth forth sin; and sin, being consumed, bringeth forth death.

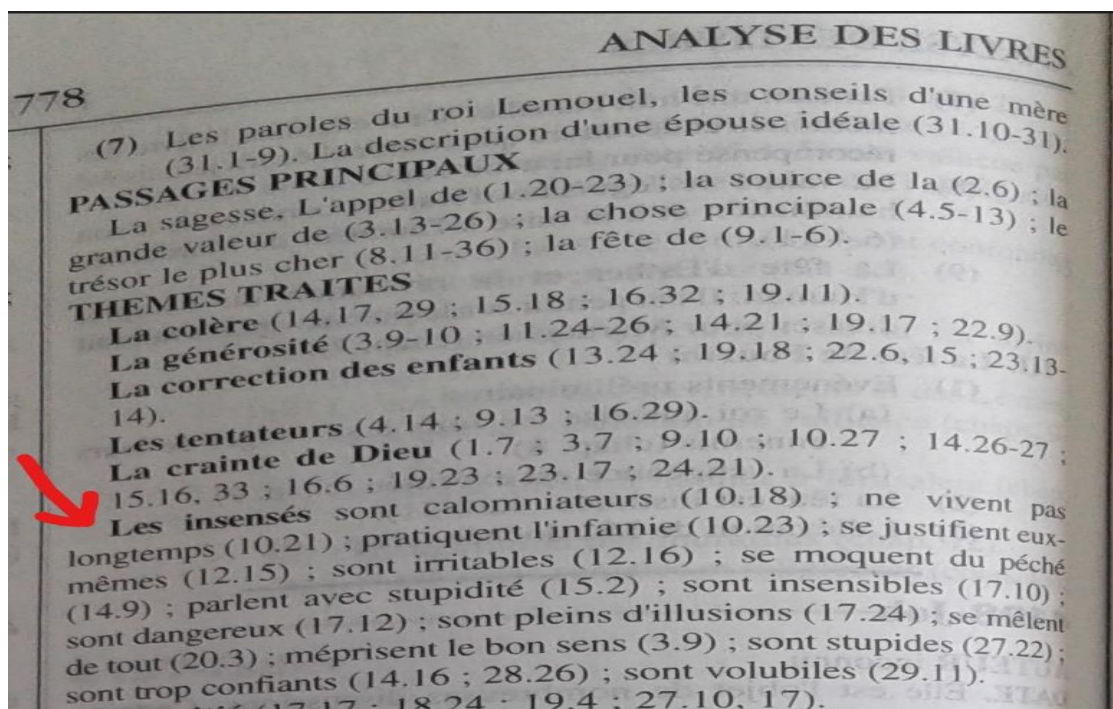

A few weeks ago, the Holy Spirit inspired me to use my Thompson Bible, the one that has the concordances, a complete alphabetical list of all the topics and the analysis of the books of the Bible. I obeyed and took my Bible, but I didn't know why I should use my Thompson Bible. The Holy Spirit wanted to instruct me, because I was thinking about you and praying to the Lord to tell me why you were so mean and evil to others. The Holy Spirit immediately guided me to the back pages in the section analyzing the books of the Bible and I found the analysis of Proverbs, and to my surprise, one of the topics covered was a description of the characteristics of foolish people. I know that you think that God inspired you with new proverbs, but I have the confirmation that it was satan who did it and that you believed all his lies. You should have read the ones written in your Bible to know the truth of God, you would have learned a lot and your life would not be now in the thick darkness controlled by satan and his demons.

Here is the information I found in my bible, it explains why you act like this towards others, by your words, your attitude, and your bad behavior in all the correspondences you have published on TPOT. If for many years, many people have opposed you and you have never changed your position, nor reevaluated your life by seeking with all your heart the Lord's guidance to walk on the right path, what will happen to you? Do you know what you are doing and what your final destination will be?

## LECON SPIRITUELLE

Salomon a été un signe plus qu'un exemple. Il a indiqué le chemin de la sagesse, mais a omis de le suivre, pendant la dernière partie de sa vie. Roboam, son fils, a suivi son exemple, et non son conseil. C'est ainsi qu'il a été un souverain insensé et mauvais.

## 4201—L'Ecclésiaste

**NOM.** Emprunté à la version des Septante, voir 4174. Dans la Bible hébraïque, il est appelé Qohéleth. La signification de ce mot est plutôt incertaine, mais on le traduit le plus souvent par « prédicateur », ou celui qui s'adresse à une assemblée.

**AUTEUR.** Incertain, bien que, généralement, on pense qu'il s'agit de Salomon (1.1-2).

Si l'on en juge par le résumé de sa vie, tel qu'on le trouve dans la Bible, la plupart des expériences racontées ici correspondent à celles qu'il a pu avoir.

Have you not read in the Word, this warning, it is written: Take heed therefore to conduct yourselves circumspectly, not as fools, but as wise; Redeem the time; for the days are evil. Therefore do not be unreasonable, but understand what is the will of the Lord.

So tell me, why do you act the way you do by being a very bad example to others around you? I pity all those who are in total blindness by following you and putting their trust in you. I thank the Lord for opening my eyes and teaching me away from evil.

I can confirm to you that I believe with all my heart that the Lord will deliver me from every evil work, and he will save me and bring me into his heavenly kingdom. To him be the glory forever and ever! Amen! Thank you Lord!

You hate me because you belong to the world and not to me. John 15:19

Saul of Tarsus persecuted the Church of God by mistreating and killing them, but he acted out of ignorance and unbelief. But you, on the other hand, have a Bible, you should have known the will of God all along, yet you seem to interpret the Word to use it to harm others. I ask you the following question: Do you think you are less worse than Saul of Tarsus before his conversion? To the Lord, you are murderers every time you get angry at someone and say hateful things to them verbally or in writing. According to what the Lord says you deserve judgment, you can read what is written in Matthew 5:22. And according to what the Lord says, you are murderers, and you remain in death because of your sins, read what is written in 1 John 3:14-15.

Did you know that?

Repentance is the willingness to accept the consequences of morally reprehensible acts committed in the past and to commit oneself to not doing them again. Repentance also refers to the public manifestation of personal feeling of repentance for a fault for which one asks forgiveness. Repentance involves acknowledging, confessing and renouncing sin in order to accept God's transformation and redemption. Repentance is necessary for salvation and the new birth. It is also part of the Christian life and the sanctification process.

True repentance is changing our lives, removing sin and iniquity from our lives. It is having a great desire to change, to grow to be transformed into the image of Christ and to walk in righteousness and holiness. But the Word of God, says that when we accept Jesus Christ as our Lord and Savior, it means dying to self, our self-will dies, our old sinful life dies and we become a new creation that walks to do God's will by following his commandments, however, the new birth is a gift of God to those who are pure and upright in heart. Unfortunately it is not offered to those who persist in sin and evil.

Conversion to Christianity is the process by which a person becomes a Christian. It involves a repentance of sins, an acceptance of Jesus as savior, and a commitment to follow his inspired teachings in the New Testament.

You are not saved, you do evil and you laugh Ha! Ha! Ha! you find it funny, pleasant and enjoyable, because you have been doing it for years without any remorse. You sin against God and your neighbor and you think that there is nothing wrong, but the Lord says to you, woe to you who laugh now, for you will mourn and weep.

Remorse: A painful feeling, accompanied by shame, caused by the consciousness of having done wrong. Synonymous: regret and repentance.

I think you don't have a good conscience, because it has been influenced by Satan.

Conscience: The human faculty of knowing and judging one's own reality. The ability or fact of making value judgments about one's own actions. To have an upright and pure conscience is to judge oneself frankly and honestly.

Do you see that your life proves that you do not have a heart filled with love for your neighbor, nor for the Lord, for He said: It is written: If you love me, keep my commandments. It is written: You shall love the Lord your God with all your heart, and you shall love your neighbor as yourself. It is written: He who obeys his commandments abides in God and God abides in him. And by what do we know that he abides in us? By the Spirit he has given us. 1 John 3:24.

Because of your bad behavior, I doubt the sincerity of your faith in God. I will explain, the reason is very simple, it is because you see yourselves as Christians and not as you really are, sinners. Your lives are full of sins, but you refuse to see them and get rid of them. You think you are better than others in society because you think you are walking in the truth except your life is based on the lie you have been following for years. You say to yourself, "I believe in God, I am saved, I am perfect, everything is beautiful, it doesn't matter if I live in sin, Christ died for me and I am forgiven."

But Jesus came to save those who were lost and not those who claim to be perfect because they believe in God by having a Bible in hand, doing all kinds of carnal works (videos, teachings, songs, blog, website, etc.), but forgetting the main thing which is to trust in God to love Him with all your heart, thoughts, soul and strength. And to live each day doing his will by walking according to the truth described in his Word. Repentance from a sincere heart is the first step to receive God's forgiveness and to approach him. Desiring to know the Lord and having a true relationship with him is necessary to have eternal life.

This is what the Lord explained to me about your lives:

Unfortunately, you are not living in attachment to the Lord, you have not run away from the corruption that evil desires bring to this world. You are not making every effort to add to your faith strength of character, to strength of character knowledge, to knowledge self-control, to self-control endurance in trial, to endurance attachment to God, to that attachment to God brotherly affection, and to brotherly affection love. Since you do not possess these qualities, and since they do not grow unceasingly in you, they cannot make you active and enable you to know our Lord Jesus Christ ever better. For he who lacks them is like a blind man, he cannot see clearly. He has forgotten that he has been cleansed of his sins of old.

You are not converted and you are all slaves of sin:

It is written: Do you not know that when you give yourselves over to someone as slaves to obey him, you are slaves of the one you obey, either of sin which leads to death, or of obedience which leads to righteousness?

The responsibility of believers is to represent the kingdom of God to the people on this earth. If you say you are born again, you should be ambassadors of the kingdom of God by walking by the Spirit and the Word by living according to the will of God. Believers are to rule over sin instead of having sin rule over them. If believers continue to walk in sin, it means that they are still walking according to the devil's will and living in the bondage and slavery of sin.

God has chosen man to represent him on earth, as a man, you have the greatest and most important responsibility, I am addressing to the men linked to the site The path of truth by your bad works (thoughts, words and actions), unfortunately you are not fulfilling your mission well. I am sad for you, because you are wasting the life that God has given you and you are proving to everyone that you are men without judgment, desiring to harm others, you are persecuting those who testify of their faith in Christ and none of you dare to stand up for them, nor stay away from evil. Now there is Mr. Martin Van Popta and Mr. Ronnie Tanner to replace Mr. Paul Cohen, two evil men instead of one and the story continues, even more evil is committed to disgrace Christianity which proves to the world that satan is wreaking havoc with the help of unbelieving believers. I wonder, have you always been such terrible men or have you become so by force of circumstance by having bad examples around you in this perverted and corrupt world? It is written: These men oppose the truth, being corrupted in their understanding, reprobate in the matter of faith.

For women who are connected with the website The path of truth, or with people who act in a reprehensible way and do not dare to warn them of their sin, it is written: Women of a weak and narrow mind, loaded with sins, agitated by passions of every kind, always learning and never able to come to the knowledge of the truth. I am really sad for you, you are captivated, blinded and you participate in the evil doing nothing to stop it. Unable to take a stand for the Lord, and say, "No, enough is enough we are not following the Lord with all the evil we are doing with The path of truth site, let's stop it all from now on."

Here is the truth, all those who opposed Mr. Victor Hafichuk and his team The path of truth, experienced this:

By telling you the truth, we have earned scorn, we have received contempt, you have hated us, and you have despised the wisdom of our words. You can read it in Proverbs 9:7-8; 23:9

I am really discouraged because you think you have been saved for many years, but your bad works prove that you have no biblical knowledge to walk in the truth, but the most deplorable thing is that you have no real relationship with the Lord, because you have no interest in living according to God's will.

I have the proof that you are evil and very bad people by your hateful words that you have said to me and by all the evil that you have done to me with all the publications filled with falsehoods against me. And it's because you don't have the love of God in you since you love the world and you live for Facebook, Youtube, your blog, your website, etc. your reason to live is to receive the glory of men instead of the one that comes from God. You are not ready to die for the Lord, your life is too important. You have confirmed to me that appearances are deceiving in your counterfeit Christian life.

I am sad for you and I cannot imagine how the Lord reacts when he sees you living in sin again and again for all these years. He must be so sad when he thinks of the suffering he endured for you through his death on the cross and you don't even realize that you are condemning yourself to be forsaken by God on the day of judgment because of the iniquities you commit without any regrets. I must tell you that if you do not repent, you will deserve the wrath of God and go to hell for eternity.

Here is your current situation:

You say: Our way of seeing, thinking and acting is right, and we are pure in the eyes of God. But I say to you: Oh, if God would speak, if he would open his lips to answer you, and if he would reveal to you the secrets of his wisdom, then you would see that he would treat you according to your iniquity.

You should affirm this:

It is written, We have sinned, we have committed iniquity, we have been wicked and rebellious, we have turned away from your commandments and your ordinances. And it is written: With the Lord our God, mercy and forgiveness, for we have rebelled against him.

The Word is clear and precise about the difference between good and evil:

It is written: Beloved, do not imitate evil, but good. He who does good is of God; he who does evil has not seen God.

It is written: For God will bring every work into judgment, concerning all that is hidden, whether good or evil.

You are not living for the Lord now!

I tell you that if you read and study the Words of God, but you don't believe them, you don't obey them, you don't put them into practice, you don't apply them in your life, you are denying and rejecting His Words. If you reject his Words, and you find any kind of excuse not to have to live according to his will and do all that Jesus commanded us to do, then you are rejecting his truth and denying Jesus because you have chosen to believe the truth of the world instead of the truth of God.

If you accept and tolerate sin, you reject God's truth and will, then you have denied God.

It is written: "Whatever you do, do it with a good heart, as for the Lord and not for men.

So I ask you the following question: All the hateful texts you have written, or any other tasks, have you done them from the heart as if you had done them to the Lord, himself? What would have been his reaction? Would he have been pleased with you? What do you think He would have said to you when He saw you doing it? When you seek out people on Facebook, to destroy their lives, you are doing it to hurt them, so it is not from the heart! Do you realize what you are doing?

Yet the Lord has warned that if we harm a little one who believes in him, we are harming himself. Can you think about that?

The Lord will not come down from heaven to earth to warn you, but he will use his servants by sending them to you to exhort you, inform you, rebuke you. He does it through me, will you listen to him once and for all! Stop burying your head in the sand and refusing to believe the many warnings of the Lord, because one day he will totally abandon you and it will be too late for your salvation. It is written: "Therefore, as the Holy Spirit says, 'Today if you hear his voice, do not harden your hearts.

It is written: Let the word of Christ dwell among you richly; teaching and admonishing one another with all wisdom, with psalms, with hymns, with spiritual songs, singing to God in your hearts by inspiration of grace.

You don't have the wisdom of God in your hateful speeches that you publish on the website The path of truth.

If we are to sing to God in our hearts under the inspiration of grace, I ask you: Does the Lord ask us to be a musical artist, to make albums, videos or shows? No, we should only sing praises to Him with a sincere heart devoted to Him alone. It is the influence of the world that makes you act like this to be heard by everyone, to have a fanclub, to be recognized and admired by others, because you give much more importance to what others think about you instead of prioritizing what God thinks about you.

It is written: But be filled with the Spirit and keep on singing psalms and hymns and spiritual songs, singing and praising the Lord with all your heart, giving thanks to God the Father for all things in the name of our Lord Jesus Christ, submitting to one another in the fear of Christ.

You do not walk in the fear of Christ by slandering and offending others and spreading it on the web. You do your life as you see fit and don't give a damn about God.

I never asked to make a video in response to my message and God didn't ask you to do that either. No need to complain that you were so tired because you had a hard day, and you spent a lot of time making the video. I never gave my permission for all the texts and the video to be published on The path of truth website. It is now time for you to realize that you are doing all your works according to the desires of your flesh, and you are publishing everything on TPOT because you are only looking for revenge and to destroy people's lives. You certainly want people to exalt you, follow you, listen to you and give you glory. All that we can find on TPOT are not works that the Lord has asked you to do, because He does not need you or all these false publications to attract His chosen ones to Him.

I asked you to do away with everything, but your refusal proves that things that are vain in the eyes of God are precious to you in your life led and directed by your fleshly thoughts. Unfortunately, you do so much evil behind people's backs and you think that you will not be punished by the Lord. Yet, you will reap what you have sown. It is written: He who sows to his flesh will reap corruption from the flesh; but he who sows to the Spirit will reap eternal life from the Spirit.

It is written: Say the tree is good and its fruit is good, or say the tree is bad and its fruit is bad; for the tree is known by the fruit. You vipers, how can you say good things, evil as you are? For out of the abundance of the heart the mouth speaks. The good man draws good things from his good treasure, and the evil man draws evil things from his evil treasure. I tell you, on the day of judgment, men will give account for every idle word they speak. For by your words you will be justified, and by your words you will be condemned.

A true prophet of God or man of God or servant of God is someone who lives according to the will of God, who has a totally devoted heart, who knows the Lord by having a true relationship with him. He is a person who lives an exemplary life in holiness, godliness and righteousness. He is born again and walks with the Lord guided by the Holy Spirit.

You have proclaimed yourself a prophet of God, without being chosen by God, and we can easily see it by your bad fruits, your life is filled with: hatred, anger, bitterness, stubbornness, judgment, backbiting, slander, conflict, lies, false doctrines, unforgiveness, lack of love, you persecute others, you deny having sinned, you deny having done evil, you are not repentant, etc.

I am convinced that the Lord never inspired the texts, videos, songs, new proverbs and many messages to a prophet of the end times, but the devil did.

The Bible is complete and nothing can be added or taken away. God speaks to us through his Word, the Bible, he does not need anyone, nor does he need any new text from anyone.

It is written that: if anyone proclaims to you another gospel than the one you received from the Lord and the apostles, let him be anathema!

I have forgiven you everything, because the Lord Jesus died for sinners, so I too had to follow the example of my Savior, I had to forgive you even before receiving a message of repentance from you. I love the Lord more than anything and I live to do the will of God my Father. Amen!

Lord, you have seen everything, you know that those who represent The Path of Truth website persecute people with hate speech, they want to destroy the lives of many people by any means possible and they wage war without cause against all those who denounce their evil works. You know that all those who follow them are led into lies by many false teachings, so Lord help them, you don't need this site, nor Youtube to attract people to you. May your Holy Spirit touch their hearts and convict them of sin, righteousness, and judgment. I trust in you Lord, for the judgment will be according to your justice. I prayed in the name of Jesus Christ. Amen!

If you want to come closer to God and do his will, then delete all the teachings, videos and correspondences that are not in accordance with the Gospel and that do not respect the will of God. But above all, repent and apologize to all the people you have offended, slandered, defamed, etc. for all these years.

May the Lord guide you into the truth, in the name of Jesus Christ. Amen!

Bye signed Francine Boissel, daughter of the living God, the Almighty. Amen!
